Enclosures:

No. 2641-D3/45 dated 1-8-1946.

Sir,

Sub: Industries - Sericulture - Government Silk Farm, Thadaguni, Kollegal taluk - Acquisition of land - Proposals - Submitting.

An experimental silk farm was opened in 1934 in Thadaguni village, Kollegal taluk, for producing Mysore seed cocoons for propagation purposes. Subsequently this farm was brought under the Government of India subvention scheme sanctioned in G.O.No.720, Development dated 16-5-1935 for rearing foreign races of silkworms in order to accelerate the production and distribution of cross-breed seeds. Due to want of satisfactory facilities for rearing and suitable mulberry garden at Thadaguni, the farm had to be shifted to Lokkanahalli, a place six miles from Thadaguni in May 1945 and a mulberry garden of about 6.80 acres was taken on lease at an annual rental of Rs.300/- per annum. In view of the present high prices of cocoons, the owner of the garden at Lokkanahalli has been pressing for increased rent for his lands and after considerable difficulty, the Sericultural Expert has been able to persuade him to accept Rs.130 per acre per annum or Rs.884 for the entire plot for one year with effect from 18th April 1946. I request that Government will be pleased to accord sanction to the incurring of this expenditure for one year.

2 In the Five year plan for sericultural development submitted to Government with my letter No.5351-D3/44 dated 23-2-1946, I have proposed the location of a silk farm at Lokkanahalli village, Kollegal taluk. A plot of Government waste land 18.62 acres in extent has been selected in Kandayanpalayam village on the borders of Lokkanahalli village for establishing about 8 acres of bush type mulberry garden the rest of the area being utilised for mulberry tope and nurseries, after reserving 4 acres for the construction of staff quarters and farm building. I request that Government will be pleased to permit me to take over the lands from the Revenue Department for the purposes mentioned above to enable preliminary work to be carried out, the land now in use as Mulberry garden at Lokkanahalli being handed back to the owner on the expiry of the present lease period. In anticipation of Government approval, I am requesting the Collector of Coimbatore to arrange for the transfer of the following Government waste land to this Department:-

	Extent. Acres.	Assessment. Rs.
S.No.140	3.00	2-7-0
141	4.20	2-6-0
142	9.20	5-3-0
143	2.22	1-4-0

I request that sanction may also be accorded to the incurring of a non-recurring expenditure of Rs.3000/- on the following items:-

(1)	Reclamation charges at Rs.25 per acre	Rs. 465.
(2)	Cost of establishment of mulberry garden at Rs.100 per acre	800.
(3)	Charges for fencing the plot	150.
(4)	Cost of a pair of bulls for farm work	700.
(5)	Cost of a country bullock cart with hood for the use of the farm	600.
(6)	Cost of six agricultural implements	200.
(7)	Miscellaneous items - Lumpsum	85.
		Rs. 3,000.

for Director of Industries and Commerce.

To DIS

Para 1 on p 1 above: A draft T.M. to the D.I.&C. calling for further particulars regarding the proposed expenditure is submitted for approval. 9.8.46

Para 2 on pp 1-2 above. The proposal contained in this paragraph is part of a Scheme for Sericulture Development which is separately under examination in the P & D IV Section. The proposed expenditure & acquisition of lands may perhaps have to wait till orders are passed in the file relating to the Scheme referred to above. Extract of para 2 of this letter may be sent to P & D IV Sec. for adding to the file with their concurrence for issue of interim orders to the D.I.&C., if necessary. For orders. 7.8.46

P & D IV. The P & D IV

The five year plan submitted by the D. Dpt. is under consideration & will take time for a decision to be arrived at. If the maintenance of the Kollegal Experimental Farms in Kollegal taluk is essential for running the Sericultural industry even if the 5 yr. plan is not sanctioned, it is for the administrative Section to take action about the assignment of lands etc. proposed by the D. Dpt.

TOVS

Portion X of P+D IV section notes on p2 above

The existing farm at Lokkanahalli is small in extent. The new large-farm proposal in para 2 of A/above is a part and parcel of the five year plan. Accepting the proposal for a larger farm would be anticipating a decision on the Five year plan. Submitted that such as an R&D Scheme would be appropriate. Sir was. 8/8/46 8/8/46

I think it is better that P&D IV section deals with para 2 of the D-Ecs letter on p.c.t. to avoid the possibility of taking a decision incompatible with the long range policy

Sir,

Sub: Industries - Sericulture - Government Silk Farm, Thadaguni, Kollegal Taluk - Acquisition of lands - Proposals -

Ref: Post Copy of Government Telephonic Message dated 10-8-46.

Under the Government of India Subvention Scheme, on expenditure of Rs. 400/- has been provided under "contingencies on account of an increase in acreage under mulberry from 5 to 10. Vide Appendix (1) to G.O.No.720 Development dated 16-5-1935 II- Recurring expenditure - (3) Thadaguni Farm - First Year - I have accordingly leased the 6.80 acres of land on an annual rental of Rs. 300/- for the experimental silk farm at Lokkanahalli. The additional expenditure involved in the payment of increased rent over and above the provision in the Government of India grant has therefore to be met from the Provincial funds. I request that Government will be pleased to sanction the additional expenditure of Rs. 484/- involved (Rs. 884-400)
